

From The Stewards of the Meeting

Decision N° 3

To Competitor Lechner Racing

POSTED

Date: 22 November 2019

Time: 09:02 hrs

The Stewards have received a report from the Chief Timekeeper and make the following decision:

Car: #9

Competitor: Lechner Racing

Driver: Lars KERN

Facts: Driver did not set at least one lap from timing line to timing line, not including out laps and in laps, which must be within 130% of the best time in the category during the session

Offence: Breach of Article 41.4 of the 2019 Kyalami 9 Hour Sporting Regulations

Findings: The Stewards note that the Competitor is in breach of the cited Regulation. Further, the Stewards are satisfied that the driver is adequately competent to proceed in the Event and, accordingly, give permission to the Competitor and driver to continue in the Event.

The Stewards note that some competitive advantage may be gained where a Competitor does not meet the obligations of the cited Article but also note that the Night Practice session was not only declared 'wet' but track conditions during the session led other Competitors to use wet weather tyres during the majority of the session and that wet weather tyres are not restricted by the Regulations in their availability for use. Accordingly, this Decision of the Stewards should not be considered to set any precedent.

Decision: No penalty.
