TECHNICAL REPORT 05

POSTED
at 18h27

To : Stewards of the meeting
From : Technical Delegate
Subject : Scrutineering report after qualifying.
Date : 22/11/2019 -18:15
Page(s) : 1

After the qualifying session, the following items:

- Minimum weight,
- Ballast, restrictor and engine seals,
- Aero,
- Boost on Turbo cars,
- Engine settings in general

were checked on the following cars:

- 10/12/20/29/30/31/35/42/76/999

All items checked were found in compliance with the regulation.
