

DECISION No: 1

From: The Stewards Date: 11 December 2020
To: Team Honda Racing Time: 17:30 hrs

The Stewards, having received a report from the Race Director, having examined video evidence, summoned and heard from the Competitor's representative, have considered the following matter and determine the following:

- No. / Drivers:** 30 / Bertrand Baguette – Renger Van der Zande – Mario Farnbacher
Competitor: Team Honda Racing
Time (fact): 14:34 hrs
Sessions: Between Qualifying sessions 1 & 2
Fact: No video recording on the pit gantry camera
Offence: Breach of Article 19.6 & Appendix 10 of the Kyalami 9 Hour Sporting Regulations
Decision: The Competitor is fined 500€ (five hundred euros) to be paid to SRO Motorsport Fund
Reason: Between Q1 & Q2 the Pit Lane Official has remarked that there was no video recording on the pit gantry camera of the car#30. This is clearly a breach of Art. 19.6 & Appendix 10 of the Kyalami 9 Hour Sporting Regulations which stipulate that it is the responsibility of each Team to ensure that the camera is switched on during the pit stops of all sessions and must be working correctly at all times. Furthermore the Stewards remind that the camera must be placed to see the full working zone from the white line onwards and a minimum of two metres in each direction of the car which has stopped.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards in accordance with Art. 15 of the FIA International Sporting Code, within the applicable time limits.
