

DECISION No: 06

From: The Stewards
To: All Competitors
All Officials

Date: 4th February 2022
Time: 16:15 hrs

The Stewards, having received a request from the Race Director, have considered the following matter and determine the following:

Time (fact): 15:55 hrs
Session: Qualifying
Fact: Cancellation of Q1 / Q2 / Q3.
Regulation: Article 41.15 of the Joburg Kyalami 9 Hour Sporting Regulations.
Decision: **Q1, Q2 and Q3 are cancelled. As an exception to Article 41.15 of the Joburg Kyalami 9 Hour Sporting Regulations, all times set in Q1 are deleted and the session is declared null and void.**

Reason: The Race Director informed the Stewards that due to deteriorating weather and track conditions it is not possible to continue to run Qualifying. The weather forecast and track conditions will not allow the Qualifying session to be restarted within the available time limits. The Stewards therefore determine that in accordance with Article 41.15 of the Joburg Kyalami 9 Hour Sporting Regulations the results of the overall pre-qualifying session will be used, and the top eight cars from pre-qualifying will go through to the Superpole. Q1 had begun and was suspended after 3 minutes and 21 seconds. 8 cars had completed an out-lap but had failed to post a meaningful lap time, so exceptionally the Stewards order that all times set during Q1 be deleted and the session be declared null and void.

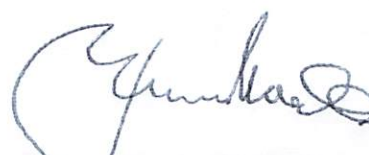

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
