The Stewards notify all competitors and officials of the following:

**Driver Stint Times – Drive-Through & Stop-and-Go Penalties**

For the avoidance of doubt, competitors should note that all time spent between crossing the pit entry and pit exit lines whilst serving a drive-through or stop-and-go penalty, or when the field has been led through the pit lane by the Safety Car, or should a car choose to drive through the pit lane without stopping for a pit stop, is included in the driver's stint time and will not reset the stint clock
