### CARS SLOWING TO CREATE A GAP IN QUALIFYING

---

Drivers on slow laps are reminded to use their mirrors and not block another driver who may be trying to set a fast lap time.

Any driver slowing to create a gap must do so offline.

Drivers must not stop or slow from turn 12 through to turn 16 in the last sector to try and create space for a fast lap. Any driver seen to be deliberately stopping or slowing may receive a penalty from the Stewards.
