---

The Stewards, having received a request from the competitor and having heard from the competitor's representative, have considered the following matter and determine the following:

**No. / Driver:** 73 / Thomas Gostner - Manuela Gostner – Corinna Gostner – David Gostner

**Competitor:** Thomas Gostner

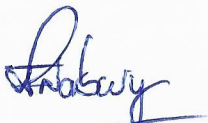

**Fact:** Car 73 does not have a functioning driver-ID transponder.

**Offence:** Breach of Article T7 of the 12<sup>th</sup> Gulf 12 Hours Race 2023 Sporting & Technical Regulations

**Decision:** **The competitor may continue to participate in the competition without penalty provided that the competitor notifies the Timekeepers which driver is in the car each time it leaves the pit lane throughout Qualifying and the Race.**

**Reason:** Car 73 suffered damage to the driver-ID switch in an incident during the night familiarisation session. The damage cannot be repaired and no spare replacement unit is available. The competitor has requested that the car be allowed to continue to participate in the competition. Having heard from the competitor's representative and having consulted with Race Direction and the Chief Timekeeper, the Stewards agree the competitor's request subject to the condition set out above.
