

STEWARDS' DECISION

From: The Stewards

To: 75 Express

The Stewards, having received a request from the Competitor, summoned and heard from the competitor's representatives, have considered the following matter and determine the following:

No. / Driver: 75 -

Competitor: 75 Express

Time: N/A

Session: Pre-Qualifying

Fact: Team request to use another team's fuel rig

Offence: Alleged breach of Article 37.1 of the Suzuka 1000km 2026 Sporting Regulations

Decision: Car #75 is exceptionally authorised to use once the fuel rig of car #81 at the beginning of Pre-Qualifying Session.

Reason: The container of car 75 with the team's fuel rig was held at Shangai due to weather conditions. Therefore, the team had to rent a new one but detected refueling issues during the Paid Test and Free Practice Sessions. In order to check the origin of the issues, the team requested to use the fuel rig of car 81. Considering that this was caused by a force majeure situation and that team representative from car 81 agreed to the purposed solution, the Stewards agreed to authorise the team from car 75 to use once the fuel rig of car #81 at the beginning of Pre-Qualifying Session.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
